## Traffic Enforcement

This module provides summarized data for five fiscal or calendar years including current year to date information on the Motor Carrier Safety Assistance Program (MCSAP) Traffic Enforcement Program conducted on motor carriers that transport property or passengers in interstate or intrastate commerce.

The Traffic Enforcement program is based on the enforcement of nineteen moving and nonmoving driver violations, which are included in the driver violation portion of the roadsideinspection procedures. Only those traffic enforcements that initiate a subsequent roadside inspection are included in the MCSAP program. If a roadside inspection results in only a drug or alcohol related violation then it is excluded as a traffic enforcement type inspection.

## **Summary of Traffic Enforcement in West Virginia**

Traffic Enforcement Activity (West Virginia)	FY 2009		
	Fed	State	Total
Number of Traffic Enf. Inspections	0	10,636	10,636
